

HOW DOES IMMUNITY ARMOR GOLD COMPARE TO OTHER PRODUCTS?

We ran an honest/accurate cost comparison using the lowest sale pricing on Amazon for the same quality products bought in large quantities, and the minimum number of pills/capsules that would need to be taken daily, just to equal the formula in a single scoop of Immunity Armor Gold.

SEE FOR YOURSELF:

	Dosage	Monthly Cost	# Pills/Caps
Vitamin C	1000 mg	\$3.5	1
Zinc	40 mg	4	1
Quercetin	350 mg	8	1
Calcium (from algae)	600 mg	22	3
K2 (MK7)	80 mcg	3	1
D3	5000 IU	3	1
CoQ10	75 mg	3.5	1
Magnesium (from algae)	140 mg	6	1
Selenium	100 mcg	2	1
		\$55	11

So not only does our powder form cost less, it's safer than swallowing multiple pills, has a pleasant taste, is more bioavailable, and takes up less counter space than 6-8 bottles of pills do.
